OF ORIO.

Executive Office, Conquere, } April 15th, 1861,

To the People of Ohio : You are called upon to meet the gravest ree poneibilities, and, it may be, sacrifices, to preserve your free institutions and your national independence. The attempt of your Government to supply a beleagured garrison with provisions has been met by open war and reduction of a garrison by force of arms. Your national flag has been insulsed, and the constitutional as burities of the Union treasonably denied. At such an hour, rising above all party bias, resolute to maintain the free fact that his master can at any moment take him the Doge at Montgomery and his willing and con-reptey" over such an experiment. If you can lay by 30 hours, and acuiden't or wouldn't help transmit it unimpaired to our posterity, let the people secont their power. Your voice will be heard, your actions will bring hope to the overawed and oppressed in rebellious districts, will strengthen the hands and animate the hearts of the loyal thousands in the border States, and will bring back peace and order to the nation, with a some of em, but they seemed dreadful shy. I stubborn logicians whom the anti-slavery people "They are a band of hydra headed, tripled convert every man into a secession; t. Besides. Jayous as a hird in summer howers, Fitting in and nut among the flowers ... Thy voice was solicat music on the air , Thy step, a moving melody everywhere.

Thy ladgh kepf time and tone With all the harmony of June :-A low, sweet ripple on the afr-Echo of a soul unahadowed by care.

Three summers kined thy brow.

And left; (I know not why nor how), New charms, a succier grace, A boiler light, a halv on thy lace ! I knew thee for an angel shild,

Earth-board, to lead us 541 a while ; A silent awe stole o'er my heart ; -A knowledge, sure, that we must part. I pressed thee close, oh closer still,

As if my clasp could save from ill, As if my hold could stay thy flight With wings all plumed and bright. Long boars, in mutual embrace,

I rained sad hisses on thy face,

And from thy fips I garnered up True manns for Life's empty cop. I knew thy hours were flitting fast, (They gathered awectment fill she last,)

That some thy work would all be done,

And my pure child-angel gone. On tiptue for secency howers, While Ilogering will in ours, With pinions poised for flight,

And quivering in the light,

The dawn of a beavenly day That mot thee on thy was: And foliad in its robe of light, Heaven received thee from my sight.

My hand still fools thy tender clasp ; Stronger than death is the sure grasp My spirit holds on thee and thine, Invisible my beloved, but recomine.

Is fifts me up, and still I cling With Armer grasp, and fling Each earthly weight or care aside, And etroggle on to reach thy side.

I yielded thee to a Sovereign Will. But "lead me in the distance still" Never, never thy dear clasp forego, Till I've suffered all below,

Till I pass the darksome wave, And find the angel that I gave; Tiel, with thee, in resime of light, bury Faith in glorious sight. Course Valuer, Jon. 10, 1861
